

# CHOOSE THE KNOWLEDGE OF GOD!

## Part One

By Apostle Jacquelyn Fedor

### Psalm 115:16

16 The heaven, even the heavens, are the LORD's; but the earth He has given to the children of men.

Not only were we given the earth, but everything on it.

### Genesis 1:28

28 Then God blessed them, and God said to them, “Be fruitful and multiply; fill the earth and subdue it; have dominion over the fish of the sea, over the birds of the air, and over every living thing that moves on the earth.”

God also planted a garden, a beautiful paradise for man called Eden that had everything Adam and Eve needed for a perfect existence. All was very good, no sickness, pain, sorrow or death. Only eternal happiness was intended for God's little family. The resources of the earth were readily available for us to use to build a perfect Kingdom and we had eternity to enjoy the work of our hands. Nothing could limit us. We had the mind of Christ, the knowledge that created all things in the first place to seek wisdom from and go to for advice.

All of earth was meant to be a beautiful paradise for God's human family, all creation on it was created to be in harmony with each other, man and God. In fact, our whole planet was in perfect motion with the rest of the universe. All was good as it had been birthed through the perfect knowledge of God. If mankind would have continued living life guided by God through His Word, His Truth, their Way and Life would have remained perfect forever. But no, we had to choose the knowledge of another being. A defective one at that! Satan or Lucifer was his name.

God called His Wisdom, His Word a “Tree of Life” and the source of the other knowledge a “tree of good and evil”. The latter would bring death and corruption to God's perfect creation through man's choice. The first man did not comprehend evil, he saw only good. Had he remained obedient to his Creator, he would have never been exposed to the enemy's way of thinking or be the victim of his evil schemes. Sin was not even visible to the first pair before their fall and so their lives reflected only the goodness of God's image and ways. There was no wrong thought as there was only perfect knowledge. The conclusions they came to were only good, perfect.

All the problems encountered today are because of man's desire to be someone. Man sought advice from this lawless being who was in rebellion and direct opposition to God, because he actually wanted to operate through

what the deceptive enemy told him was his own wisdom or knowledge. Man wanted and still wants to be wise on their own, not having to share their success with anyone. They want to be like God, self sufficient, self existing. They wish to be looked upon with admiration by others and exalted for their intellect and talents.

**Genesis 3:5-6** reveals to us the lie of all lies and sadly all of mankind has fallen for it.

5 For God knows that in the day you eat of it (the knowledge of the tree of good and evil) your eyes will be opened, and you will be like God (this is the lie of all lies), knowing good and evil.” (at this point their eyes were opened to sin)

6 So when the woman saw that the tree was good for food, that it was pleasant to the eyes (Satan was beautiful, an angel of light), and a tree desirable to make one wise (lie number two), she took of its fruit and ate. She also gave to her husband with her, and he ate (the same lies are being fed to us today by the same crafty being).

Knowledge is like an umbilical cord. Through it comes life or death, depending on the source we are bound to. Our minds were created to retain memory like a bank that stores all that is put into it. When faced with making decisions we draw from what is stored in our memory banks. Our actions are

therefore based on what we've been fed, lies or Truth. It would be wonderful if our minds could be scrubbed clean of all the past tainted knowledge, all data gathered from the world, and it be replaced by God's wisdom. Then our thoughts would be God's thoughts and our ways God's ways. We would be in union with Him and in one accord with all that is perfect. As situations arose we would always handle them the correct way and be successful, but no, man goes to all measures to acquire the knowledge of the tree of good and evil. We run to the best colleges, clinics, seminars, etc. that we can expose ourselves to in the systems of the world. Let us look at God's thoughts on our efforts.

### **I Corinthians 3:18-20**

18 Let no one deceive himself. If anyone among you seems to be wise in this age, let him become a fool that he may become wise.

19 For the wisdom of this world is foolishness with God. For it is written, “He catches the wise in their own craftiness”;

20 and again, “The LORD knows the thoughts of the wise, that they are futile.”

So in other words, all Eve gleaned from the tree of good and evil led to death, corruption and decay, and for some strange reason man is still avidly seeking this knowledge today! They surf all kinds of websites, watch TV, read worldly

magazines, labor over textbooks etc all to be well informed. You see, we can reason, but only based on what we know. We can exercise our will as we please, but the accuracy of our actions and decisions depends on the source of the knowledge in our minds. Satan's knowledge is based on the fleshly things of this world and how to exist in his culture. God's wisdom is based on the knowledge of His Son, His covenants, the laws written on our hearts and minds. He defines through scripture a plan for His culture, a society in line with His Kingdom and will. Here again scripture gives us good advice.

### **Romans 8:6-8**

6 For to be carnally minded is death, but to be spiritually minded is life and peace.

7 Because the carnal mind is enmity against God; for it is not subject to the law of God, nor indeed can be (it is tapped into the lawless tree of good and evil).

8 So then, those who are in the flesh cannot please God.

Those with carnal minds, filled with worldly knowledge love the world Satan has developed and lawlessly care nothing about God's Kingdom.

Are they even familiar with the words in **Revelation 22:14**? I doubt it!

14 Blessed are those who do His commandments, that they may have the

right to the tree of life, and may enter through the gates into the city.

There are many people today that sadly fit into the above scriptures because they load their minds with knowledge from carnal man's intellect, but at the same time God's family is also growing. Knowledge of God is increasing, and as God reveals His plan of restoration we are just now really beginning to see with the eye of discernment the fullness of what Jesus actually accomplished in His earthly walk. There is so much more information than what the church has taught that is being released for these end times.

Daniel prophesied it in **Daniel 12:4**.

4 “But you, Daniel, shut up the words, and seal the book until the time of the end; many shall run to and fro, and knowledge shall increase.”

In fact, man is about to be brought full circle back to his beginnings as prophesied in **Isaiah 11:6-9**

6 “ The wolf also shall  dwell with the lamb, the leopard shall lie down with the young goat, the calf and the young lion and the fatling together; and a  little child shall lead them.

7 The cow and the bear shall graze; their young ones shall lie down together; and the lion shall eat straw like the ox.

8 The nursing child shall play by the cobra's hole, and the weaned child shall

put his hand in the viper's den.

9 They shall not hurt nor destroy in all My holy mountain, for **the earth** shall be **full of the knowledge of the LORD** as the waters cover the sea.

All of the above will come about because of those that wisely choose the knowledge of God rather than continuing on as they have been wrongly taught. As Satan's knowledge is the downfall of man, so God's knowledge will restore all the enemy has stolen and return this planet and all creation back to its original purpose and perfection. As Isaiah said in chapter 33:6, “wisdom and knowledge will be the stability of your times”. That word **times** can be translated **age**, **season**, or **current times** as found in the Strongs Concordance, number **6256** in the Hebrew dictionary.

So in closing, it is the knowledge of God that will guide us through these end times, and protect us from the wrath of God as He rids the earth of all wicked knowledge and the dead works it has produced. With its extinction eternal life can be returned to the planet and its inhabitants. Through God's knowledge the earth and all on it will be restored, renewed and His Kingdom will be established. So choose the Tree of Life, choose the knowledge of God!
