

## **HOW THE TWO REALMS BECOME ONE**

**By Jacquelyn Fedor**

God gave the earth to man, intending it to be guided through a people that were a combination of both supernatural and earthly awareness. Their bodies were earthly, but their minds were fed from the mind of Christ and their souls made decisions based on information from both realms. Their spirits and souls were daily in communion with Father this way, which allowed them to interact in His realm and to be taught His will and ways. He visited with them in the cool of the day and for sure they could ask whatever they wished, knowing the answer would be perfect! This is the scenario the eighth day child desires with all their hearts to return to!

In this perfect state their five senses see, hear, touch, taste, smell, would telegraph information to their soul concerning earth and adhere to the physical laws that governed it, while their spirit would at the same time understand spiritual law and be able to see the activities of the supernatural! This way the two realms would merge as one in God's children. To Adam and Eve it was all one realm before the fall. It is exciting that it is also the desire of Father for us today to be restored and gifted with the same ability He originally created in mankind as we see in Romans 8:29.

## **Romans 8:29**

29 For whom He foreknew, He also predestined to be conformed to the image of His Son, that He might be the firstborn (He has preeminence in all things) among many brethren.

We need to understand the person His Son that we are to be in the image of, is the Word, Truth, His knowledge. Our minds and hearts therefore must be disconnected from the world's knowledge in order for us to become like Him.

## **John 1:1-2,**

1 In the beginning was the Word, and the Word was with God, and the Word was God.

2 He was in the beginning with God.

## **John 1:12, 14**

12 But as many as received Him, to them He gave the right to become children of God, to those who believe in His name:

14 And the Word became flesh (we are to be conformed to Him and become like the Word) and dwelt among us, and we beheld His glory, the glory as of the only begotten of the Father, full of grace and truth.

**Psalm 82:6** I think shows us that God sees us a little different than we have

been taught by the world's knowledge.

**6 I said, “You are gods, and all of you are children of the Most High.”**

**John 10:34** backs this.

34 Jesus answered them, “Is it not written in your law, ‘I said, “You are gods”’?

So to be conformed to Christ we must gather the truth from the full 7000 years of our existence, plus God's knowledge that has been released especially for the eighth day. We must feast on it until we too become it. This cannot be fulfilled until our minds and hearts are cleansed of the world's knowledge allowing us access to the supernatural as well as giving us a true understanding of the natural. We do not want the world's theories, myths, lies, nor their philosophies derived from the world's knowledge! This is the only way we will be qualified or even able to comprehend and manifest God's perfect plan for the restoration of His creation nor fully understand our part in His plan.

But it is not easy! Because of the world's tainted knowledge that we are taught from the cradle, and the lies taught by so much of its church mankind has messed up badly. It is beyond repair by man actually. Society is becoming more and more disobedient, lawless, and therefore further out of

sync with their Creator, in fact out of harmony with all creation! Physical and supernatural laws are ignored and broken to the detriment of everyone today.

Here is another fact to be made aware of. The lawless ones, rebellious and hard hearted, form the body of Satan. Some actually walk there on purpose, knowingly! Others unknowingly are a part of that same body because they are ignorant of God's knowledge, thus also becoming a part of the body of Antichrist, a part of the man of lawlessness. It is sad, but because of the first pair's choice of Satan's knowledge, the database for the world's intellect as stated before comes from this same rebellious angel today. He has purposely set out to kill, steal and destroy God's people and for sure distort His knowledge. Therefore most of God's people do not know anything about His laws that would have guided them into the Kingdom and God's will. It is a fact most of the world's church have never heard of God's laws!

Unfortunately breaking physical laws that pertain to earth, whether we understand them or not, can be quite devastating such as defying gravity etc. At least physical laws are easy to see and detect though. Breaking or ignoring spiritual law may not appear to change anything at all in the natural that we are aware of, but they are surprisingly just as dangerous! Maybe even more so as the effect is not immediately seen or understood from this realm! Again, it is a fact, much of what goes wrong in our daily lives is caused by our lack

of God's knowledge that would have taught us about these unseen laws!

**Hosea 4:6** warned our Adamic ancestors, but they paid no attention.

**6 My people are destroyed for lack of knowledge.** (His, that is!) **Because you have rejected knowledge** (chose to live by the world's standards drawn from the world's knowledge), **I also will reject you** from being **priest** (government) **for Me; because you have forgotten the law of your God, I also will forget your children** (and this is why we now live under the systems of man and are governed by man's laws).

Since God's laws, both physical and spiritual play such an important part in our lives, let us inspect a few of them for a clearer understanding of how they can affect us. Remember the last feast before our total restoration is rejoicing in the Torah or the law! The feast of Simchat Torah.

Here then is an example. There is a spiritual law that says, “Be it as you believe.” Look at the trouble that can cause if we are not aware of it! What do we believe?

**Isaiah 53:5** tells us for instance,

**5 But He** (Jesus) **was wounded for our transgressions,** (He paid the wages of sin for us, death!) **He was bruised for our iniquities; the chastisement for**

our peace (He submitted to being beaten, flogged, even spit on to take to the grave all our problems that would rob us of our joy and peace) was upon Him, and by His stripes we are healed. (Note, we are healed! Not going to be one day, we are healed.)

This was confirmed once again in **Matthew 8:17**

17 that it might be fulfilled which was spoken by Isaiah the prophet, saying:  
“He Himself took (again, He did away with them by taking them to the grave with Him) our infirmities and bore (took them on Himself so they would be destroyed with Him) our sicknesses.” (Again, we are healed.)

Do we really believe the Word of God?

**Numbers 23:19** tells us,

19 “God is not a man, that He should lie, nor a son of man, that He should repent (there was no sin in Him to warrant this treatment, He did all this because He loves His children and all His creation). Has He said, and will He not do? (So case in point, why would He not make good His Word?) Or has He spoken, and will He not make it good? (Do we have the faith to believe in His love, His promises?)

We say we do when asked, yet how much money is spent on the world's

medical field after Christ endured the cross for us! We need to ask ourselves, what do I really believe?

How about the spiritual law, “you reap what you sow”? Do we perhaps have pride in ourselves as shrewd business people? Don't be angry if you have a shady deal put over on you then. You reap what you sow. Did we maybe ignore someone in need and now we have a financial problem and there is no-one to help? Hummm ...

And what about our faith in God? Did you know that faith itself is a spiritual law? Some may ask, what exactly is faith? Faith is our ability to believe God's Word without the use of our natural senses. In other words, faith is belief in something that cannot be proven in the natural realm.

**Hebrews 11:1** says it this way,

1 Now **faith** (steadfast belief) **is the substance** (the force that holds something together until it manifests into being) **of things hoped for, the evidence** (through unshakable conviction, belief in the Word of God) **of things not seen.** (You cannot see the Word, but He is nevertheless alive and working to manifest our hope.)

**Hebrews 4:12** tells us,

12 For the word of God is living and powerful, and sharper than any two-edged sword, piercing even to the division of soul and spirit, and of joints and marrow, and is a discerner of the thoughts and intents of the heart.

(Do we really believe?)

Remember who the Word is and who originally spoke it. Do you really think we can trust God? Can we without hesitation put our faith in Him?

**John 1:1**

1 In the beginning was the Word, and the Word was with God, and the Word was God.

Just like we can't physically see the Word anymore, He is not here in the flesh, but here are some examples of activities in the supernatural we can't see either, yet are still very real!!

**Hebrews 12:1, 18, 22**

1 Therefore we also, since we are surrounded by so great a cloud of witnesses (can we see them from the natural? Only if God gives us an open vision experience), let us lay aside every weight, and the sin which so easily ensnares us (didn't see it coming till we reacted to it, but the result is quite

real), and let us run with endurance the race that is set before us (a supernatural track, or a part of God's plan we are predestined to manifest),  
18 For you have not come to the mountain that may be touched (in the natural realm) and that burned with fire, and to blackness and darkness and tempest (like what Moses and old Israel experienced in their wilderness trek),  
22 But you have come to Mount Zion (again, can't see or touch it from the natural) and to the city of the living God, the heavenly Jerusalem (an unseen city, but very big and very real in the supernatural), to an innumerable company of angels, (This is a city guarded by God and an innumerable company of angels, can't even number them, yet we cannot see them either, but they are there nevertheless for the protection of God's people. With the world as dangerous as it is today, we surely want to be able to see this city!!)

So, what we are beginning to spiritually discern and understand, to enter into the supernatural realm, we ourselves must bring the two realms together through our faith.

For instance, if we can see a content or meaning of a scripture would solve our problems if brought to reality, speak it and believe the Lord to perform it! How does this work? You see Jesus is the scripture, the Word and as explained before, it is He that makes what we speak a reality in this realm. As

we read earlier also, we can trust God's Word to never come back void, and God is not a liar! He is the supreme God of the universe and yet this is how He brought it all into being. He spoke it and Jesus, the Word, made it so! He manifests as God's Word. So again, if we speak God's Word and believe in the Word, and trust Jesus, He will do the same for us. Father said, “let there be light” and there was light!

### **Isaiah 55:11**

11 So shall My word be that goes forth from My mouth; it shall not return to Me void, but it shall accomplish what I please, and it shall prosper in the thing for which I sent it.

The Word of God will not let what the scripture was meant to accomplish come back void for the child of God either, those who are in the image of Christ.

So once again, Father originally said it, so it is law and the Word will manifest the purpose of those words through our belief. Again, it won't come back void, that too is a law. “Be it as you believe”, another “spiritual law!” God said it, we repeated it, Jesus manifested it, because we believe and have faith in Him, law! Is that not awesome!

**I John 5:4** explains the law of faith!

4 For whatever is born of God overcomes the world (because He overcame the world by performing Father's plan, manifesting His Words and we are in His image). And this is the victory that has overcome the world—our faith. (Because it is backed by God as His spiritual law!)

Did you know Father actually spoke our victory before the earth was formed? Jesus fulfilled His part in His era, now it is our turn as children of the eighth day to walk the victory on out, make it materialize. We proclaim what Father said and what Jesus has done and He performs the word spoken by us. Again, what do you believe?

**Colossians 1:15** Since our belief is so important, to help us build our faith, let's look at who Christ is.

15 He (Jesus) is the image of the invisible God, the firstborn over all creation (and we are in the image of the invisible Christ, the Word, God's Knowledge).

**Colossians 3:10** This is who we are.

10 and have put on the new man who is renewed in knowledge (everything released in the seven thousand years and now the eighth day manna)

according to the image of Him (He is all knowledge and we must now become it!) who created him,

Ones that are recreated by knowledge, born through the Word, newborns that God's Spirit has breathed eternal life into with the infilling of His Spirit. These are the eighth day children! They believe in God's laws, the salvation message, healing, miracles, His government, His mountain and city. They believe in and are manifesting the knowledge taught by the moves of God released throughout the previous 7000 years, minus the works of the charlatans and fakes! Let me explain. Church leaders came on the scene that tried to make the gifting of God released in each move appear to be working long after God had moved on. Personal empires were built on the new knowledge and gifting and they didn't care to change, disrupt their good paying congregations to start over and move on. Satan had a good time with this!

The eighth day child loves truth, wants to grow to perfection. As God gives more insight they gladly accept and become that too! The eighth day child is intent on building God's kingdom that in the end will benefit everyone. They are willing to give up their old life to become a part of the new earth.

Being as this is the eighth day, a greater circumcision is required.

Understand, all that does not belong to God's kingdom will be destroyed from the earth so it can be returned to His children and renewed as prophesied in Isaiah 65:17.

### **Isaiah 65:17**

17 “For behold, I create new heavens and a new earth; and the former shall not be remembered or come to mind.

**Revelation 21:5** also says,

5 Then He who sat on the throne said, “Behold, I make all things new.”

(These words will not come back void.) And He said to me, “Write, for these words are true and faithful.”

**Romans 6:4** shows us how we become a part of the new thing.

4 Therefore we were buried with Him through baptism into death (we must die to who we were to become a new creature), that just as Christ was raised from the dead by the glory of the Father, even so we also should walk in newness of life (as the heavens are His handiwork, the eighth day child, along with all that is separate from the world, are His handiwork also).

There is one more thing I would like for us to spiritually discern and that is, “the House of David”. Why? Because at the top of God's mountain is God's

throne and from there comes direction that will guide mankind through the end time tribulations. Its light will shine showing God's people the way to His mountain and city. Prayer covering is dispersed from there to protect and guard His people as well as the work He is doing across the earth.

Knowledge especially for these end times has been released to fulfill Ephesians 4:13.

### **Ephesians 4:13**

13 till we all come to the unity of the faith (to bring us back in line with the rest of the universe) and of the knowledge of the Son of God (this means the 7000 years of knowledge plus eighth day insight), to a perfect man (God is fulfilling His promises to perfect what He has started so His knowledge has been made available to the whole earth), to the measure of the stature of the fullness of Christ (the completed and perfected body of Christ raised up to come against the body of Satan, Antichrist, the lawless one);

### **Acts 15:16**

16 ‘After this I will return and will rebuild the tabernacle of David, which has fallen down (man built the first one); I will rebuild its ruins, and I will set it up (supernatural yet very real!);

Do you see why we must be able to see and understand what it is?

To help pull us mentally in the direction of understanding complete knowledge, which is the combination of both realms, let us look at Psalm 19:1-4.

### **Psalm 19:1-4**

1 The heavens declare the glory of God; and the firmament (the sky) shows His handiwork (there is proof in the constellations of His plan being manifested on earth).

2 Day unto day utters speech (it's there if we spiritually look), and night unto night reveals knowledge (proof that what is being taught is correct).

3 There is no speech nor language where their voice is not heard (all the earth's people can look up and hear).

4 Their line has gone out through all the earth, and their words to the end of the world. In them (the knowledge, His voice, speech) He has set a tabernacle for the sun,

If their spirits have begun to see and understand the supernatural, Malachi 4:2 will begin to make sense and bring peace and joy to the eighth day child of God.

## **Malachi 4:2**

2 But to you who fear My name the **Sun of Righteousness** shall **arise** with **healing in His wings**; and you shall go out and grow fat like stall-fed calves.

You see, fallen man has made a mess on earth because it has been given to them, but the heavens belong to God. We can with confidence believe their knowledge and therefore trust the truth taught by David's tabernacle because it is backed by the heavens. Here now is an example of heaven's speech becoming earth's insight. Did you know the eighth day people are guarded and protected by the victorious Ram, not Lamb! Look up at the constellation Aries as proof. The meaning of the stars in the Ram are as follows:

Taleh – head of the flock

Ayil – the lead ram, the strong, the judge.

Amru – the gentle, the merciful, the sacrifice of the righteous.

That was the story in the stars. Now the story from the earth. Remember how Isaac, child of the promise that fathered Jacob, who was the forefather of David and Christ was saved from being sacrificed by a Ram? Now, we today are born through Christ, making us Abraham's Seed, heirs of the promises. Through this little piece of knowledge, heaven, the supernatural, and earth, the natural come together in us as the body of Christ, who is the victorious Ram, Yeshua! So can you see how through the knowledge of God the two

realms become one in the eighth day child?

So in closing, through the Word, through God's knowledge, information from the heavenlies and the truth released to earth our ways change, our thoughts, our perspectives change, our knee jerk reactions and even our desires change. We truly are being conformed to the image of the Son and being filled with the light of the Sun. And think about this, if God arranged the heavenlies to make a tabernacle for the sun, can we see the mirror image where God will make a tabernacle on earth for the Son?
