

OUR GOD IS A CONSUMING FIRE

By Apostle Jacquelyn Fedor

God prepared the earth for man before He created them. Everything was designed perfect for His children. It was His desire for them to be happy, healthy, without needs. This was the Father's will and a glimpse of what His Kingdom was like.

The ability to create was a part of man's original natural capability and it would have been a perfect world had man not disconnected themselves from the Lord's infallible thinking and His philosophy on life. They were also created to see and know only good. Satan however cleverly made it sound desirable to see and know the evil side of things. As a beautiful angel of light, he shrewdly offered to share his sinister wisdom with her. Eve sadly was drawn to the dark kingdom and chose Satan's knowledge. What was the result? Nothing created from that time forth has been perfect, lasting or eternal! Everything we have created falls apart. Why? Because all that evolves from Satan's inferior knowledge or has been altered by it has a limited life expectancy including us! Only God, our Creator can turn this dilemma around. Only He can reverse things and return us to our original perfection. Again, why? Because there is no other knowledge that is perfect or has fool-proof answers to address our problems as only God is perfect!

Because of the rebellion of Adam and Eve there are defects in not only man, but every other creature as well. All that lives on the earth and even the planet itself has been tainted. At Satan's beckoning, mankind has crossbred, altered and changed all of creation. There is therefore no perfection to be found in anything!

You see, only man was created in Father's image. Therefore, only man was blessed and able to create from God's faultless knowledge. We gave this precious gift away! There is therefore little left that mankind or the enemy himself has not touched, tainted or altered, in short ruined. Now there is no way to recreate or bring anything back to perfection! For instance, Genesis six tells us mankind crossed with angels forever changing their DNA!

Another terrible choice, a dreadful mistake that ended in sickness, deformity and diseases of all kinds. Unfortunately all we have to remedy these problems is the worldly, inferior knowledge of the enemy.

I think Satan had what he thought was a fool-proof plan to take over all God created before he ever challenged God for supremacy! He thought all it would take to make his plan work was mankind himself, because of his ability to create. He slyly accomplished this through luring Eve, knowing full well Adam would follow her and mankind became his puppets. Oh and what

wonderful puppets we have become! In the hands of the most clever puppet master ever, we have created a world from an infrastructure based on his knowledge. Without realizing it we have been calmly satisfying his desires and fulfilling his plans to be the top dog over all things, including God! How foolish is that thinking! The created challenging his Maker and using the Lord's own creation to come against Him!

Yes, we like good little puppets have happily founded this dangerous world and raised up the decadent society we are a part of today. We have constructed housing, manufactured cars, planes, motorcycles and ships, on and on. All of them fall apart and are in constant need of repair. Again we ask why? There is nothing wrong with our ability to create, but again, the knowledge we draw from to design and fabricate is inferior, imperfect, so how could we possibly have expected to produce anything perfect? We didn't stop there either, we went on to bigger and better things like rockets, robots programmed with AI, devices with EMF radiation, all kinds of sophisticated weapons for military use to fight each other. Is any of this perfect? No, and it all reflects the fruit of being shaped by Satan's thinking, and his plan for supremacy. He wants to alter, destroy and weaken all God created and as stated before, to have everything on earth subordinate to him.

But here is a weird twist. Satan pridefully wanted subordination from man

over the years, fed man on this thinking, has been molded to his image! Now they too want to be top dogs! In fact, the world is heading for a one world order because of this trait! What leader will be as God? Remember Satan offered this title or position to Eve, but all along he secretly meant it for himself.

Genesis 3:4-5 makes this plain.

4 Then the serpent (the devil or Satan as seen in Revelation 12:9) said to the woman, “You will not surely die (Father warned them if they touched Satan and his wisdom they would die).

5 For God knows (here comes the lie) that in the day you eat of it your eyes will be opened (to see evil), and you will be like God, knowing good and evil.” (They no longer saw only good and the devil's lies were solidly planted in their minds to grow into what mankind has become today.)

Side note: God uses trees symbolically as you can see by reading Isaiah 61:3. The tree of good and evil in the garden was the devil, the Tree of Life Christ.

Isaiah 14:12-14 plainly shows us the enemy's dreams.

12 “How you are fallen from heaven, O Lucifer (Satan, devil, serpent, dragon), son of the morning! How you are cut down to the ground, you who weakened the nations! (by crossing them with angels, by feeding

them lies, wrong knowledge)

13 For you have said in your heart: ‘I will ascend into heaven, I will exalt my throne above the stars of God; I will also sit on the mount of the congregation (much of the world's church through hypocrisy has helped him meet this decree) on the farthest sides of the north;

14 I will ascend above the heights of the clouds (look at how many times man has aided him through space programs), I will be like the Most High (this is his plan).’

For sure this was Satan's plan, but ... remember Eve was made that promise also, so it is her plan too! Take over, control of the planet is therefore the mission of many different sectors of man's society, but the picture is much bigger than us! The challenge is really between Heaven and Hell, a supernatural battle is being fought. Unfortunately man for the most part has unknowingly fortified the enemy for this battle and in doing so has made the world a very dangerous place for us to be in. Mankind, just like Eve has been lured into thinking what they are doing will be helpful to make them great. You see, a nature shaped by Satan's wisdom is competitive, prideful, all about self. You can see where this type of person could see themselves as important, superior, the best, top dog. So there is a bit of a problem here. Man wants to be at the top of the ladder and so does Satan! Who will win? Neither! Let's let God's Word reveal the winner.

I John 3:8 shows us first of all how the Lord feels concerning those that have sided with Satan.

8 **He** who **sins** is **of the devil**, for the **devil** has **sinned** from the **beginning** (when he lured Eve). **For this purpose** the **Son of God** was **manifested**, **that He might destroy the works of the devil**.

John 16:33 shows us the winner!

33 These things I (Jesus) have spoken to you, that in **Me** you may have **peace**. In the **world** you will have tribulation; but **be of good cheer**, **I have overcome the world**.” (So Jesus is King of kings, Lord of lords!)

What will God do when the time is up for both the enemy and man to try to take His place?

Hebrews 12:26-29

26 whose **voice** (God) then **shook the earth**; but **now He has promised** (His word does not come back void), **saying**, “**Yet once more I shake not only the earth, but also heaven**.” (When He speaks He performs it.)

27 Now this, “**Yet once more**,” **indicates the removal of those things** that are **being shaken**, as of **things** that are **made** (by man), **that the things which cannot be shaken may remain**. (Only what God has **created will withstand**

this shaking!)

28 Therefore, since we (those born through Christ at baptism) are receiving a kingdom which cannot be shaken, let us have grace, by which we may serve God acceptably with reverence and godly fear.

29 For our God is a consuming fire.

Militarily, mankind can overcome and subdue mankind, radiation through technology can overcome and through different frequencies, control man also and humanoids can not only overcome man, but replace them, but remember, our God is a consuming fire that can melt it all! The God that created the universe, of which earth is a very small speck, can surely destroy any part of creation that opposes Him! This includes angels as well as man. He will melt the world, its systems and lawless society, but He will not harm the planet. How do we know? Because, He gave the earth to His children and promised them an everlasting Kingdom. God is not a man that He would lie.

Psalm 115:16

16 The heaven, even the heavens, are the Lord's; but the earth He has given to the children of men. (Adam and Eve were once owners of the earth, they gave it away!)

Daniel 7:27 shows us a wonderful promise.

27 Then the kingdom and dominion, and the greatness of the kingdoms under the whole heaven, **shall be given to the people, the saints of the Most High.** **His kingdom** is an **everlasting kingdom** (because it is perfect), and **all dominions shall serve and obey Him.**'

It will happen because He made covenant, swore by Himself that all would be given to Abraham's Seed. That Seed is Jesus and all that are born through Him at baptism become Abraham's seed as well, and heirs of the promise. Again let us turn to the Word to see this.

Galatians 3:16 shows us who God's covenant was to.

16 Now **to Abraham and his Seed were the promises made.** He does **not say**, "And to **seeds**," as of **many**, but as of **one**, "And to your **Seed**," who is **Christ**.

Galatians 3:27&29 shows us who are the true seed of Abraham.

27 For **as many of you** as were **baptized into Christ** have put **on Christ**.

29 And **if you are Christ's**, then **you are Abraham's seed**, and **heirs according to the promise**. (Exciting, isn't it!)

In closing, so man can have his illusions of grandeur, one world government with one leader over all, and the enemy may see his race of humanoids as potential homes for his evil spirits that follow him to dwell in as the answer to his dreams, but there is hope and guaranteed victory for those that love the Lord, because He has already won the battle. Our God reigns! He is victor and still champion, King of kings, Lord of lords, His Majesty, a consuming fire, and we are His children!
